

## CALL FOR PAPERS

The **Department of Engineering** of the **Università degli Studi di Palermo** and **ADM - Associazione nazionale Disegno e Metodi dell'ingegneria industriale** - are pleased to announce the opening of the **Call for Papers** for the **ADM2024 International Conference**, which will be held in Palermo on 11<sup>th</sup>-13<sup>th</sup> September, 2024.

The **ADM2024 International Conference** aims to provide a national and global forum for presenting and discussing the latest advances in Design Methods and Tools in Industrial Engineering, Mechanics, Materials, and Technology.

The **ADM2024 International Conference** welcomes the contributions of academics, researchers, and industry experts to disseminate their major and recent results, implementations studies, tools and techniques at an international level.

### ADM2024 MAIN CONFERENCE TOPICS

Selected areas and topics of interest include but are not limited to:

- Geometric modelling and processing
- Engineering education
- Engineering methods in medicine
- Geometrical product specification and tolerancing
- Reverse engineering, digital acquisition, image processing and inspection
- Design for additive manufacturing
- Virtual and augmented reality
- Human factors and ergonomics
- Design for sustainability and ecodesign
- Product design and engineering
- Virtual prototyping and digital twin
- Design for manufacturing and assembly
- Experimental methods in product development
- Integrated methods for product design, simulation, analysis, and optimization
- Collaborative and soft robotics
- Knowledge and product data management

### SUBMISSION OF PAPERS

The call is for full papers only. Each paper, English written, is limited to 8 pages (paper template available on [www.adm2024.com](http://www.adm2024.com)), including abstract, illustrations and references. All submitted papers will be peer reviewed for acceptance and proposed for oral presentation or poster session. In order to provide a greater opportunity for more people to present at the conference, each accepted paper should be presented by a different conference registrant.

#### PUBLICATION

Accepted papers will be published in a book edited by Springer and indexed in SCOPUS.
